Washington Elementary School
District
Glendale, Arizona

ENGAGE EVERY STUDENT

HOW DO STUDENTS BENEFIT?

Students who regularly participate in high-quality out-of-school time programs:

- Gain self-control, confidence, and social skills
- Make gains in reading and math
- Explore career paths and gain workforce skills
- Improve school attendance, work habits, and grades
- Have higher graduation rates
- Build healthy relationships with their peers and caring adults

HOW WILL WE ENGAGE EVERY STUDENT?

Engage Every Student encourages school districts, state agencies, and cities to invest American Rescue Plan funds in partnerships with afterschool and summer learning program providers to support students' well-being and academic growth.

In support of this work, the **Engage Every Student** Initiative will:

- Provide technical assistance for local partners and programs.
- Recognize successful partnerships and programs.
- Spread awareness about the benefits of afterschool and summer learning programs.
- Research and identify best practices.

GET INVOLVED!

Make a Pledge:

- To expand afterschool and summer learning opportunities for students by leveraging funding inclusive of ESSER I, ESSER II, ARP ESSER, GEER, CRRSA, Local, State, Private/Philanthropic, Local or State ARP Recovery Funding.

Become an Ally:

- Collaborate with us to ensure that every student who wants to participate in afterschool or summer learning programs using ARP funds has the opportunity.
