# Fast Facts About ACM and Children's Museums

ACM promotes the impact children's museums have in preparing children for school, building 21st century skills, and nurturing a love for lifelong learning.

**ACM serves over 35,000 museum professionals in 300+ museums in all 50 states and in 11 countries.**

More than 31 million individuals annually visit a children's museum.

Children's museums are located in urban, suburban, and rural areas in all 50 states and the District of Columbia.

There are children's museums in more than 11 countries around the world.

Generally, half of visitors to children's museums are children ranging from birth to age eight while adult caregivers comprise the remaining fifty percent.
