# Road Map Project

Collective Action for Student Success

## Road Map Project

The Road Map Project is a collective impact initiative that began in 2010 to improve education outcomes from early learning through college in seven King County school districts: Auburn, Federal Way, Highline, Kent, Renton, (South) Seattle, and Tukwila.

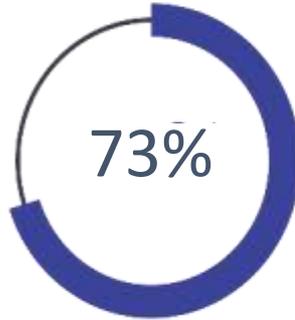

Our multisector partnership is made up of school districts, higher education institutions, community-based organizations, businesses, government agencies, teachers and parents, students and youth, and more.

# ROAD MAP PROJECT GOAL

We increase equitable policies and practices in our education systems and dramatically improve outcomes for children and youth, from cradle through college and career; so that:

**By 2030**

We will eliminate the opportunity and achievement gaps impacting children of color and low-income children in South King County and South Seattle, and 70% of youth in the region will earn a college degree or career credential.
